HOW IT WORKS ...

- First of all you must be at least **16 years old**.
- Complete the entry form or download one from www.harlowtyerotary.org.uk
- Please then read **ALL** of the Terms and Conditions of Entry as published on the website.
- **Send a cheque for £35**, made payable to **Rotary Club of Harlow Tye** along with your completed entry form to: Rotary Club of Harlow Tye, Test House, 4-5 R024, Harlow Business Park, Harlow CM19 5QB.

WE WILL ...

- **Acknowledge your entry** and **allocate your reference number** to use on all forms.
- Send you our **official Sponsorship form(s)**. Use these to record your sponsors and amounts they pledge. If you prefer you may use ones supplied by your charity, if available.
- On the day, provide the team of professionals to supervise your abseil.
- And once you've completed your abseil, print you a commemorative certificate to acknowledge your magnificent achievement.

YOU WILL ...

- Enjoy your exhilarating abseil from the Affinity Water Tower.
- Collect your sponsorship pledges.
- Pass all of your sponsorship money to us or directly to your chosen charity. Later we will ask you to tell us how much you raised.
- **Remember** – ALL the sponsorship money you raise goes to your nominated charity.

Frequently asked questions

- Can I pay by bank transfer?
YES! For further details, please email abseil@harlowtyerotary.org.uk
- Do you accept card payments?
SORRY NO we are unable to do so.
- What is the closing date for entries?
FRIDAY 8th MAY 2020 unless all the places have been taken. We therefore advise you to get you entry in as soon as possible to avoid missing out!

JOIN IN ...

If you want to take part in the abseil but don't have a charity in mind, why not support the Harlow Tye Rotary Club Trust Fund?

Our charity distributes £1000's each year to those in need, including local charities as well as national and international charities.

Rest assured your donations will be well spent.

Our club also makes a regular donation to WaterAid, in recognition of the valued help and support of Affinity Water.
